

Aug 6, 1986

The following documents were located in the court file:

10-21-83 Request that evidence in support of OSC be filed under seal
10-21-83 Order that evidence in support of OSC be filed under seal

The order is unsigned and both documents were marked "deemed withdrawn". These are the only documents in the file related to any attempt to have documents related to the OSC re contempt filed under seal. However the register of actions shows the following two entries:

8-23-83 Request that papers in supp of OSC be filed under seal; order
(filed under seal)
8-23-83 Decl of John Peterson in supp of OSC re contempt (filed under seal)

Neither of these documents can be found in the court file. The court clerk in Dept. 57 where the matter is now being heard has no documents filed under seal from 1983. It would appear that the documents were indeed filed under seal and have since been misplaced by the court.
